Patent US 501

Attorney Docket: 612,406-004

(formerly 241/172)

REMARKS

In response to the Restriction Requirement dated March 13, 2003, Applicant hereby wishes to elect, with traverse, the subject matter of Group 81 (claims 275-326) for continued prosecution in this application. As suggested by the examiner, the inventorship is also being amended in view of the election of Group 81. RICHARD R. ANDERSON, MICHAEL FIECHTNER, and JILL ORWICK have been removed as inventors because their invention is no longer being claimed in this application. This election is being made without traverse and without prejudice to continue prosecution of those non-elected claims in a later application.

Respectfully submitted,

O'MELVENY & MYERS LLP
